

Exchange Agreement Flat Rate

_____ Agrees to the following conditions described in this agreement.
This agreement must be signed and returned to Spectrum Aerospace prior to shipment of any material.

Part number _____ Serial Number _____ is an exchange unit.
You will be charged an exchange fee of _____ for the first _____ days from date of order. If core is not received within 30 days of shipment your exchange will be converted to an outright sale.

The Flat Rate exchange fee includes the average overhaul cost for a repairable core unit.
The average overhaul cost for this unit is \$ _____.

Should your core unit exceed the average overhaul cost, you will be charged the additional cost required to bring your core unit into overhauled condition. In the event your core unit requires cost which exceeds the total outright price, you will be invoiced the difference between the outright price and exchange fee and your core unit will be returned as-is.

All units must have verifiable trace and non-incident certification.

In the event the core unit is not identical to the unit supplied, Spectrum will return the core unit and convert the exchange to an outright sale at the specified replacement price of \$ _____.

F.O.B point is Tempe Arizona; customer agrees to accept full responsibility for payment of all units shipped against this agreement.
